Dear Colleagues and Fellow Psychiatrists,

We are sending you this e-mail to bring your attention to the PRCP 2023. The Pacific Rim College of Psychiatry (PRCP) 2023 Conference will be held in Kuala Lumpur.

The Malaysian Psychiatric Association (MPA) has graciously offered to host the PRCP 2023. Thus, we are reaching out to colleagues, fellow psychiatrists and interested allied science professionals to participate in the conference.

The Scientific Committee welcomes abstract proposals for individual, posters and symposium presentations. Interested professionals can participate as delegates and as presenters. The abstract submission for all presentations has opened from 30 November 2022 to 31 March 2023.

We are looking for contributions and participation. If you have lovely topics that you wish to share with the mental health fraternity, consider presenting them at the PRCP 2023.

We are also reaching out to young psychiatrists and researchers in the mental health field; come present and share your experience and findings. Come share your ideas and knowledge with the delegates.
