

NATIONAL ELECTROCONVULSIVE THERAPY (ECT) COURSE 2023

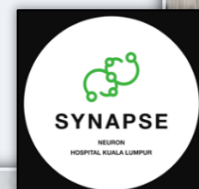

**Dear colleagues
& friends,**

It is with great pleasure to announce that **SYNAPSE (Neuropsychiatry Center for Neuromodulation Therapies)** in collaboration with **Badan Kebajikan Psikiatri Hospital Kuala Lumpur (HKL)** are organising the upcoming **National ECT Course**. This intensive yet significant training course is based on the recently published **Guideline on Electroconvulsive Therapy for Ministry of Health**. Do join us on the following dates & venue:

Date: 12th (Monday) & 13th (Tuesday) June 2023

**Venue: Auditorium & Bilik Seminar Ara 1,
Hospital Rehabilitasi Cheras, Kuala Lumpur**

We're looking forward to welcome you!

Learning Objectives

1

To standardise the practice of ECT according to the principles of safeguarding high standards of patient care management & ensuring continual provision of high-quality ECT services

2

To provide proper documentation on ECT procedure, competency assessment & service monitoring

3

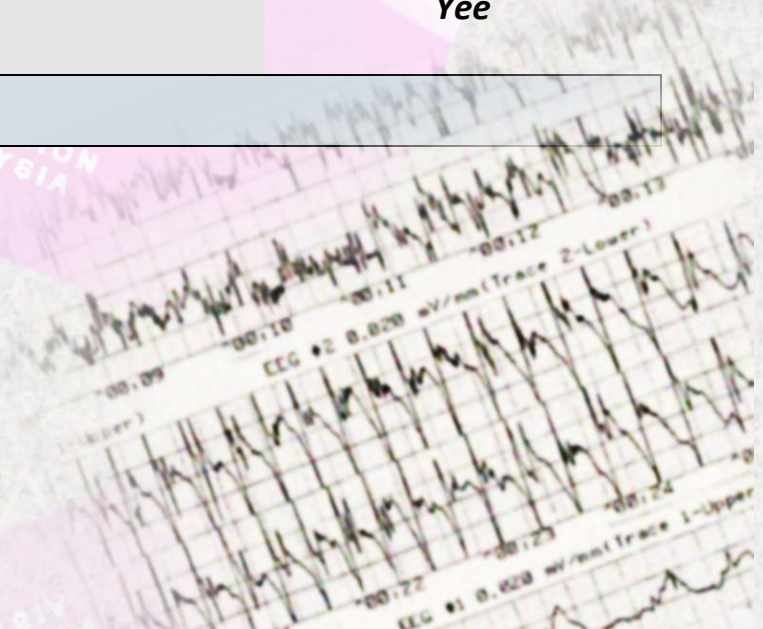

To operationalise the **GUIDELINE ON ECT** as the framework for training, credentialing & privileging, & Continuing Professional Development activity
